

Cookie Statement

Necessary (2)

Necessary cookies help make a website more usable by enabling basic functions such as page navigation and access to secure areas of the website. Without these cookies, the website may not function properly.

Name	Supplier	Purpose	Expiration date	Type
CONSENT	YouTube	Used to detect whether the visitor has accepted the marketing category in the cookie banner. This cookie is necessary for GDPR compliance of the website.	2 year	HTTP Cookie
CookieConsent	Cookiebot	Saves the cookie status of the user for the current domain.	13402 days	HTTP Cookie

Statistics (2)

Statistical cookies help website owners understand how visitors use their website by collecting and reporting anonymous data.

Name	Supplier	Purpose	Expiration date	Type
_ga	Google	Registers a unique ID that is used to generate statistical data on how the visitor uses the website.	2 year	HTTP Cookie
ga#	Google	Collects data on the number of times a user has visited the website, as well as data for the first and most recent visit. Used by Google Analytics.	2 year	HTTP Cookie

Marketing (12)

Marketing cookies are used to track visitors as they visit different websites. Their purpose is to display advertisements that are tailored and relevant to the individual user. These ads become more valuable for publishers and external advertisers.
